Medical Insurance: WestCare

2 HDHP-HSA plans available

Option to add dependents available.

The 2 medical plans available through WestCare are Health Savings Account Plans (HSA). The money in your HSA can be used to offset the deductible and coinsurance for any eligible medical expense.

Both the employee and employer can make contributions into an HSA

* WestCare seeds each HSA account, annual amount varies due to hire date, employee status, and enrollment election.

1 low deductible PPO plan is available

Option to add dependents available.

Reduced premiums for years of service.

* To earn a Year of Service you must have maintained an active, regular full time employee status for 12 consecutive months. Year of Service begins the first of the month following becoming a regular Full-time employee. For example, an individual hired part-time on 5/3/2005 that became a regular full-time employee as of 7/16/2005 would have 6 years of service as of 8/1/2011.

Every employee who signs up for a health plan will be enrolled in our Telehealth program at no additional cost.
